

BATH & SHOWER GEL

DESCRIPTION:

BATH & SHOWER GEL is a ready-to-use high viscosity hair and body shampoo blending the optimum in cleansing properties and economy. Manufactured from ingredients derived from natural renewable resources, BATH & SHOWER GEL cleans effectively yet is mild, non-drying to skin, and non-irritating. BATH & SHOWER GEL can be used in hard water and is free rinsing and will not clog dispenser valves.

DISPENSER USE:

BATH & SHOWER GEL, manufactured from vegetable oil-derived surfactants, is lightly colored and has a fresh clean scent.

FOR USE IN:

BATH & SHOWER GEL can be used in most bulk-fill type dispensers capable of dispensing thick liquids and gels.

Schools, fitness centers, sports centers, office buildings, health-care facilities (hospitals, clinics, nursing homes, etc.), and other public and private facilities.
