

LIQUID HAND SOAP

DESCRIPTION:

SANITEK LIQUID HAND SOAP is a pure soap product formulated to meet the chemical and physical requirements of Federal Specification P-S-624 Soap, Toilet (liquid). Prepared from refined coconut oil, LIQUID HAND SOAP is a mild cleaner which leaves the skin soft and smooth. A free-flowing liquid, LIQUID HAND SOAP safeguards and prolongs the life of liquid soap dispensers, eliminating the necessity for costly repairs and maintenance.

LIQUID HAND SOAP offers these advantages:

- No synthetic detergents
- Smooths and softens skin
- Cost-effective

FOR USE IN:

Schools, health-care (hospitals, clinics, nursing homes, etc.), food handling establishments (restaurants, cafeterias, etc.), office buildings, factories, and other commercial facilities.

APPEARANCE:

Clear yellow-green liquid with mild fragrance.

SPECS.:

Solids: 18% minimum, 8.5 ppg, pH 10.0-11.0

ITEM NO.:

400

SANI-SOAP

DESCRIPTION:

SANI-SOAP is Sanitek's finest facial and hand soap. Processed from the highest quality coconut oil, SANI-SOAP is a pure soap product containing no alkalis or fillers.
