

QUATTRO

DEEP CLEANER FOR POROUS FLOORING

DESCRIPTION:

QUATTRO is a highly concentrated cleaner that effectively penetrates and cleans deep within the pores of hard surface floors such as quarry tiles, bricks, and concrete floors. Containing biodegradable organic acids and water and oil soluble surfactants, QUATTRO effectively removes grease, oil, and other stubborn soils commonly found on the floors of food service and other industrial areas.

Does Not Contain Phosphates Or Hydrochloric Acid

Highly Concentrated Formulation

Superior Emulsification Of Grease & Oils

Biodegradable

FOR USE ON:

Quarry Tile, Brick, Concrete, Sotillo Tile, Grout, and More.

DIRECTIONS:

QUATTRO may etch some surfaces such as marble or terrazzo and metals. Always check for compatibility in an inconspicuous area.

For Daily Use: Dilute 4-ounces (1/2 cup) QUATTRO per gallon of water. Mop liberally onto floor, then using a deck brush or scrubbing machine scrub the floor aggressively. Pick up excess, then rinse with clean warm water.

For Heavily Soiled Floors: Dilute 1/2-gallon of QUATTRO per gallon of water. Apply solution and allow to remain on surface for 10 minutes, then scrub as noted above.

HEALTH & SAFETY:

DO NOT USE WITH BLEACH OR OTHER CHLORINE PRODUCTS!

WARNING! Contains Organic Acids

HARMFUL IF SWALLOWED — DO NOT TAKE INTERNALLY

Wear Rubber Gloves and Water Resistant Shoes

Do Not Breathe Vapors or Mists - Avoid Contact with Skin or Eyes

— FIRST AID —

If Inhaled: Remove to fresh air. Give artificial respiration if not breathing. Get Immediate Medical Attention. **In Case of Eye Contact:** Immediately flush eyes with lots of running water for 30 minutes while lifting the upper and lower eyelids occasionally. Get Immediate Medical Attention. **In Case of Skin Contact:** Immediately flush with lots of running water for 30 minutes. Remove contaminated clothing and shoes; wash before reuse. **If Swallowed:** Do Not Induce Vomiting. Never Give Anything By Mouth to an Unconscious Person. If conscious, give lots of water or milk. Get Immediate Medical Attention.
