## Removes Stains & Deodorizes !!!

*Stain Away* is a fast, safe and highly effective ready-to-use product that removes stains from most surfaces.

*Stain Away* contains hydrogen peroxide and special cleaning agents that takes away stains and odors.

*Stain Away* is effective for removing *blood, grease, coffee, tea, wine, mildew and pet stains* from carpets, upholstery, clothing, fabric and hard surfaces like tile, porcelain, formica, and more.

### DIRECTIONS

As a precaution, test a small discrete area for color fastness.

**For Hard Surfaces:** Spray directly on surface and wipe with a clean absorbent cloth. **For Carpet/Fabric,** apply a small amount of *Stain Away* directly to spot and wait 30 seconds; then blot aggressively with a clean

absorbent cloth. Repeat if necessary. **For Mildew,** apply directly to mildew discoloration, wait 30 seconds and wipe or brush clean.

NON-TOXIC • SAFE • BIODEGRADABLE  
NON-FLAMMABLE • DEODORIZES

**CAUTION-** NOT FOR INTERNAL USE  
AVOID EYE CONTACT

**FIRST AID:** If accidental contact with eyes occurs, flush thoroughly with water for 15 minutes. Call physician if irritation persists.

**PRECAUTION:** As with all chemicals,  
Keep Out of the Reach of Children.
